Program Objective

2nd Edition of HOSPEX Healthcare Expo cum Conferences will be held at Kochi, Kerala from Sep 15th – 17th 2023. This is Kerala's first B2B Medical Expo which will take place at Zamra International Convention and Exhibition Center, Kochi, Kerala.

HOSPEX 2023 Expo is the platform to showcase Technology, Products & Innovations to the healthcare fraternity.

As part of Expo, Knowledge dissemination sessions in the form of conferences, related to healthcare sector, also happen during the expo. Through conferences businesses showcase futuristic trends in the healthcare sector. These conferences provide attendees from healthcare sector , an the opportunity to learn about New Products and Technologies, network with other healthcare professionals in the field, and stay up-to-date on the recent and futuristic developments in the industry

Healthcare organisations have started using Telemedicine, Telehealth, Digital Health, Remote Monitoring of Patient care solutions ,using Technologies.

Since Medical Devices, Health Technologies are part of the Value Chain of Hospital Supplies, its imperative for Procurement Teams, Purchase Managers to learn more about Regulations and Compliances related to Medical Technologies that are used in healthcare organisations.

Hence an Educational Session is designed to sensitise Procurement Teams in Hospitals and various other healthcare facilities about the Regulations and Compliances that Supply chain of Healthcare organsiations have to meet.

Target Audience :

- Healthcare Professionals Who are incharge of Procurement Practices in Hospitals and other Healthcare Settings
- Medical Professionals, Promoters, Management Teams, Administrators, Purchase Teams, Biomedical Engineers, Finance Teams, Quality Teams , other functional heads who are interested in understanding more about Quality and Safety related Regulations of Hospital Supply Chain and Vendors .

Program Outline :

Hence HOSPEX has designed an Awareness Session covering the following topics for Hospital Teams who are incharge of Procurement :

- Understanding Medical Device Regulations- Laws of the Land
- Medical Device Regulations - Role of Bureau of Indian Standards
- Foreign Regulations , Quality Specification - How its listed in other Key Global Regulations
- Claims of Voluntary Certifications – How Authentic these claims are ?
- Materiovigilance Program of India - Regulatory Requirement
- Post Market Surveillane of Medical Devices
- Biomedical Engineers Skill Certification Program, Scheme Details, Benefits

Detailed program outline is shared in the subsequent sections
