Hospex is the initiative of Trithvam Integris, a company that specialises in managing health and medical fair events. Hospex is solely focused on digital health, healthcare and organising conferences for the medical industry by a group of Doctors.

HOSPEX 2024 is the only medical & healthcare exhibition in Kerala targeting hospitals, Medical Device manufacturers, pharmaceutical manufacturers, Startups, Innovators in Health Tech and Med tech space.

The core focus of HOSPEX Healthcare Expo 2024 is medical knowledge dissemination thereby hosts multitude of conferences focused on the futuristic trends in the medical industry. These conferences provide attendees with the opportunity to learn about new products and technologies, network with other professionals in the field, and stay up-to-date on the recent and futuristic developments in the industry.

Conference Objective

The Indian hospital industry is at an inflection point.

The Indian Healthcare industry continued its healthy growth in 2023 and reached a value of US\$ 372 billion driven by both the private sector and the government.

As of 2024, the Indian healthcare sector is one of India's largest employers as it employs a total of 7.5 million people.

The hospital industry is a key part of this growth. The hospital market in India is expected to grow at a 5.02% annual rate from 2024 to 2029.

Mergers & Acquisitions, Listing in Stock Markets, Raising Private Equity Funding , Debt Funding , Franchising route to accelerate growth etc are some of the Growth Strategies adopted by Indian Hospitals to clock Growth.

This conference is designed to create dedicated conversations on multiple growth strategies adopted by Hospitals to throw more insights to conference delegates.
